

Catalan Science Week

FCRI has pioneered and is the organiser of the Catalan Science Week since 1996. (setmanaciencia.fundaciorecerca.cat)

Research National Awards

The Government of Catalonia together with the FCRI organises the annual research and innovation awards. (premisnacionalsrecerca.fundaciorecerca.cat/en)

Scientific Tourism

FCRI designs touristic routes through the main scientific assets in the cities (e.g. Barcelona) and in natural spots (surtderecercapercatalunya.cat/turisme_cientific).

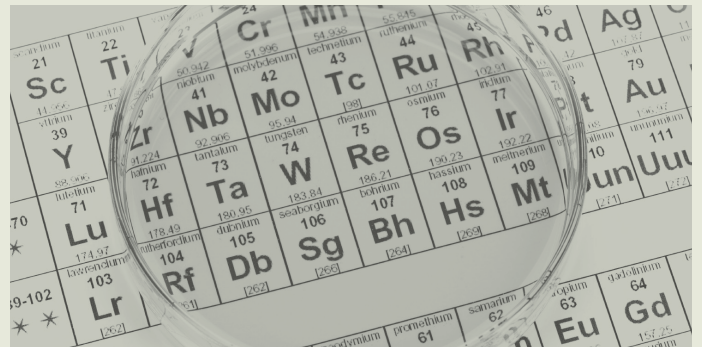

Art & Science

FCRI promotes artistic content in the streets related to science.

Innovation Promotion (*Cafè amb la Recerca*)

Coffee with Research is a programme that gathers the interest of business companies with researchers in specific fields in an informal networking environment. (fundaciorecerca.cat/en/innovation/coffee-with-science)

Responsible Research and Innovation (RRI)

FCRI participates in H2020 EU projects related to RRI and research integrity (RRI Leaders, Path2Integrity, etc.). (fundaciorecerca.cat/en/dissemination-communication/eu-projects)

fcri

Fundació Catalana per a la Recerca i la Innovació

The Catalan Foundation for Research and Innovation (FCRI), founded in Barcelona in 1986, disseminates research and innovation to society to promote scientific culture, scientific-technical vocations among young people, and provides up to date knowledge about the research and innovation ecosystem for decision makers.
